Dear Students and Parents:

This agenda book/planner is the culmination of many hours of hard work by the Discipline Committee which consists of administrators, teachers, students, parents, and community partners. We have attempted to be as thorough as possible; however, it is impossible to address every situation that could arise during the school year. Our school follows all CSUSA policies regarding discipline as well. These are outlined in the Code of Student Conduct included in this handbook.

Our mission, in partnership with parents and community members, seeks to inspire students to achieve their highest standards of intellectual and personal development through a diverse curriculum, cultural experiences, and by developing and promoting responsible citizenship. We are dedicated to this mission, and need the help and cooperation of everyone to reach our goals.

Please take the time to read and become familiar with this handbook. We wish you much success in your academic endeavors this year. We look forward to working with you during the 2017-2018 school year. Together we can continue to make our school a great place to learn and grow.

Sincerely,

Michael Dunagan
Principal

Our Mission: *We ensure student growth and success by utilizing collaboration to personalize student learning through data-driven planning, student centered instruction, and programs aimed to improve educational outcomes.*

Our Vision: *Emma Donnan will become the Model Urban K-8 School in the State of Indiana.*

GENERAL INFORMATION

SCHOOL HOURS: 8:00 am – 3:45 pm

As with all handbooks it is important to try to list every possible situation that might arise in a school. We have attempted to cover as many areas of concern as we could. Please read this handbook very carefully. Please note that students/parents are responsible to abide by the codes of conduct for Emma Donnan.

DAILY SCHEDULE

Breakfast 7:50 – 8:00 a.m.

School Begins - 8:00 a.m.

School Ends - 3:45 p.m.

Breakfast for the Middle School begins at 8:00 a.m. and ends at 8:10 a.m. Students will NOT be allowed on school grounds until 7:50 a.m. Families who arrive to Emma Donnan prior to 7:50 will be required to wait in their cars with their children. Students must arrive to school on time in order to eat breakfast.

All enrolled students of Emma Donnan Middle School are eligible to receive a healthy breakfast and lunch at school at no charge to your household each day of the 2015-2016 school year! No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit an application. If a student wishes to bring a bag lunch from home, a carton of milk, soda or juice can be purchased separately. Lunch menus can be found in the monthly newsletter.

STUDENT ARRIVAL

Emma Donnan assumes the supervision of all students at 7:50 a.m. and instruction begins promptly at 8:15 a.m. Unsupervised students are not allowed on campus grounds prior to 7:50 a.m.

Parents who drive their students to school will drive up the circle drive. Emma Donnan staff members will be stationed in front of the school, at the front door, and throughout the building to ensure that students make their way to their class.

Parents or older siblings, who choose to park and walk their students to the entrance, will be asked to release their students to a staff member prior to entering the building. To protect the integrity of the teaching happening in each classroom, we ask that parents not accompany their children to classrooms.

If you park your car during student arrival times you may ONLY park in a sanctioned parking spot. NEVER park in front of a No Parking Zone or blocking the circle driveway. If you choose to park in one of these areas, your car may be ticketed or towed.

ATTENDANCE POLICY

Indiana State Compulsory education laws require all students seventeen years of age or less to attend school. Your child is expected to attend each class period, every school day. Regular attendance at school is one of the most important aspects of a student's life. It is imperative that all students be in attendance in order to get the most from teacher instruction and class work. It is very important that an accurate record of attendance be kept for each student.

IMPORTANT ATTENDANCE INFORMATION

WHEN YOUR CHILD MUST BE ABSENT FROM SCHOOL, PARENTS/GUARDIANS ARE REQUIRED TO CALL THE MAIN OFFICE PRIOR TO THE START OF THE SCHOOL DAY.

1. More than five (5) days of absences is considered excessive, except in cases of extended illness or extremely unusual circumstances. Days of suspension for disciplinary reasons will not be counted toward the five (5) total. **Even though a parent call "excuses" the absence in that it provides an explanation for the absence, the absence is considered non-exempt unless it meets the following criteria:**

Exempt Absences--A student may have an excused absence, which is not included in the five (5) limit for the following reasons:

- A. Personal illness requiring a physician's statement
 - B. Death in the immediate family
 - C. Court appearance required by legal authorities
 - D. Religious holidays (request verification)
 - E. Absences due to approved school-related field trips, rehearsals, competitions, etc.
 - F. Medical and dental appointments (make every effort to schedule after school)
 - G. Other emergency or unusual circumstances as approved by a building administrator.
2. Students with excessive attendance problems may be referred to the Marion County Prosecutor's Office or Child Protective Services depending on the circumstances. A letter will be sent to the parents before any such action is taken.
 3. Parents should make every effort to schedule doctor and dental appointments outside the school day. If a student must be absent for such a reason, the appointment must be verified in writing directly from the medical or dental office.
 4. Written excuses for an absence due to a death of a member of the immediate family or relative living at home, religious holiday, or family emergency should be provided by parents or legal guardians and will be placed on file at the school.
 5. If a student is truant from school, he/she will not be allowed to attend any extra-curricular activities that day.

NON-EXEMPT ABSENCES

1. A notification will be sent to parents on the 5th non-exempt absence with a copy of the Indiana Compulsory Law and information concerning the truancy diversion program.
2. The school counselor will contact the parents for a conference on the 7th absence to address issues that are impacting consistent attendance.
3. A second notification will be sent to parents on the 9th non-exempt absence stating that further absences will be subject to a referral to the Marion County Prosecutor's Office.
4. Students with 10 or more non-exempt absences will be referred to the Marion County Prosecutor's Office. Parents may receive a citation indicating a mandatory appearance to discuss the student's attendance. Failure to appear may result in educational neglect charges being filed.
5. Students with excessive trancies may be recommended for expulsion.

START ON TIME PROGRAM

In our school, instructional time is viewed as a precious resource. Consequently, chronic tardiness is viewed as a serious problem. For students who are late, procedures will be followed to maintain records on tardiness and keep the student's family informed. Consequences will be utilized to help students learn the importance of punctuality.

For students who are consistently on time, the procedures will ensure that tardy students will not be allowed to disrupt the flow of learning at Emma Donnan. Emma Donnan is confident that these procedures will increase learning time for all students and will contribute to the positive atmosphere of our school. Within the "Start-on-Time" program, distinctions are made between being tardy to school (1st hour of the school day) and being tardy to class (remaining periods of the school day).

TARDY POLICY

Tardiness is defined as arriving to school after 8:15 a.m.

Unexcused Tardy (1st Hour of Day): Upon entering the building from 8:15 am and after, students will be sent to the receptionist at the front office to be recorded as "late to school". Any student arriving to school late without a written excuse from their parents will be required to call their parents. Any student arriving to school after 8:15 am will be searched. Upon being recorded as late, the student will be issued an official pass to class. At the second unexcused tardy to school, student will be assigned an after school detention. After the 3rd unexcused tardy, a parent/guardian will need to conference with school officials and the student will be issued an after school detention. Progressive disciplinary measures as determined by school administration will be utilized as a response to any student's fourth or more unexcused tardy.

REASONS FOR EXCUSED ABSENCE/TARDY:

The following events are considered reasons for excused absences: Illness of student or member of immediate family, death in family, subpoena, religious holiday (faith of student), internal or external suspension, student sent home with contagious disease, participation in school or district-sponsored activities, doctor/dentist appointment or unusual emergency (i.e. house flood). Viable reasons for an excused absence/tardy must be documented by appropriate party (i.e., medical professional, court representative).

REASONS FOR UNEXCUSED ABSENCES/TARDIES

Last minute vacation, bus suspension, alarm clock failures, and missed bus; “parent’s fault”, car trouble and inclement weather all constitute unexcused absences. If student rides a city bus that arrives late to school, **he/she will be unexcused if they do not present a valid bus ticket that indicates the time student was picked up by bus.**

TRUANCY/CUTTING CLASS

Not attending school or leaving school without the proper permission is considered unacceptable behavior that will lead to disciplinary action (i.e., parent contacted, parent conference, suspension, etc.) In addition, students who are absent from school may not enter the building during school hours unless accompanied by a parent and report to the front office.

EARLY DISMISSAL

If your child needs to be excused from school before the regular dismissal time of 3:45 p.m., we ask that the parent or authorized adult submit a request prior to 10:00 a.m. on the day of dismissal. This allows the teacher to plan for the student’s absence and prepare work that they may miss.

Our staff can only release your child to an adult (18 years of age or older) whom the parent authorizes on the Student Emergency Contact Card. Please update this information as your family situation changes. All information will be kept confidential in the student’s file.

Early dismissals will not be granted after 3:15 p.m. as it disrupts the dismissal process for the remainder of the students.

STUDENT DISMISSAL

Students are dismissed at 3:45 p.m. It is the responsibility of the parent/guardian to notify both the main office and the teacher of how a student will get home from school. **Parents/guardians are responsible for making sure that students are picked up on time.** If a student is not picked up by 4:00, and the school is unable to locate the parents, law enforcement may be called to assist in getting the student home.

If you park your car during student dismissal times you may **ONLY** park in a sanctioned parking spot. **NEVER** park in a No Parking Zone, or block the circle drive. If you choose to park in one of these areas, your car will be ticketed or towed.

In order for a student to be released from Emma Donnan to a parent in the car line, the parent (or an adult 18 years of age or older whom the parent authorizes on the Student Emergency Contact Card) must show the Car Line Supervisor the school issued car identification. If they do not have this with them, they must enter the front office, show staff their identification to match the emergency card, and sign the student out of school.

AFTER-CARE PROGRAM

Emma Donnan proudly hosts a 21st Century Community Learning Center after- school program for any students interested in participating. In order for students to attend this program, parents must register with the Program Coordinator. Specific information about programing, activities, and transportation can be obtained by contacting the Program Coordinator at 217-1979.

BACKGROUND CHECK FOR VISITORS

In an effort to keep our students and staff members safe, all visitors to our building must submit their state issued identification. The identification will run through our Raptor system and if cleared will create a name badge that must be worn in the building.

DANCES

Emma Donnan holds dances for the enjoyment of our students and guests. There are parameters established for all school-approved dances.

1. Students must attend at least half of their scheduled classes on the day of the dance in order to participate.
2. Students need to carry picture identification and show it upon demand to the monitor/administrator.
3. Some dances will be open to Emma Donnan students only while others will allow Emma Donnan students to invite non-students as guests. In the event that the dance is open to outside students, invited guests will have to comply with all school rules and policies that pertain to visitors in the building.
4. All dances will have a lock-in/lock-out policy. No students or their guests will be permitted to enter a dance after the lock-in or leave prior to the lockout time.
5. **The administrator on duty has the right to deny any person entrance to the dance.**
6. Students whose dancing is inappropriate will be asked to leave the dance and may not participate in future dances.

STUDENT/ATHLETE CONDUCT

Student-athletes may be suspended from team participation, should their conduct in school or on the field of play not adhere to the Emma Donnan code of conduct. Discipline measures shall be levied at the discretion of the Athletic Director and Emma Donnan Administration.

Any student-athlete assigned after school detention and/or summer school must serve their detention regardless of their athletic schedule. Should a student-athlete be administered suspension, they will not partake in any athletic event (including practices and games) until they have completed the terms of their suspension.

MAKE-UP WORK

All students are expected to make up class work missed during an absence. The student has **two days** to make up the work for each day the student is absent, **not including the day of return.**

Students who do not make up work in the allotted time will receive a grade of zero. It is up to the discretion of the classroom teacher to give the student additional makeup days. **It is the responsibility of the parent and the student to retrieve this work and turn it in in a timely fashion.**

MASTERY GRADING POLICY

Teachers plan their lesson plans using the Indiana State Standards as a guide for what their students must master by the end of the school year. The curriculum materials in classrooms are resources that teachers use to ensure they are teaching to mastery of each of the standards. For more information on the Indiana State Standards please visit <http://www.doe.in.gov/standards>.

Students are assessed using standards based mastery grading. **This form of grading focuses on whether a student has mastered a standard rather than the completion of an assignment.** Academic grades should reflect the percent of standards mastered for the grade and subject being taught. Students will be assessed using the CSUSA Education Model in which a standard is taught, assessed, graded, and taught again if necessary. Students are not graded when they are still learning something; practice assignments are for practice, so homework is not included in the academic grade. We believe that students should be given every opportunity to do the work, so we DO accept late work without academic penalty.

BOMB THREAT AND FIRES

The fire alarm is the signal you will hear in the event of a bomb threat or fire. Upon hearing the alarm, students should follow the instructions previously given by the teacher making sure that all windows are closed. Teachers should follow students from the building. **Students should not stop by their lockers or utilize their cell phones during this time.** The principal or his/her designee will give a signal for students to return to class. The drill or real event should be conducted in an orderly manner. Exits may be blocked from time to time to practice alternative routes.

As a student, you have a responsibility to act appropriately and follow the rules when a serious safety issue occurs. Not listening to your teacher or acting in an unsafe manner could result in school disciplinary action. With your help Emma Donnan will continue to be a safe and secure environment.

BOOK BAGS/FOLDERS/PERSONAL ITEMS

Book bags, backpacks, string bags, folders or any other personal items must not display patches, entertainment insignias, drawings, obscene words, gang signs or any other item that would be deemed inappropriate, offensive or reflect negatively on Emma Donnan. **All bags must remain in the locker and are not permitted in the classroom.**

CARE OF SCHOOL PROPERTY

Students are expected to respect the school buildings and property. Containers are provided throughout the buildings and grounds for proper disposal of waste. **Marking or defacing school property is a serious offense leading to suspension and possible expulsion.** Any student who damages/vandalizes school property will be required to make full restitution for damages. All food must be consumed in the cafeteria or area designated by the administration. With the exception of breakfast/lunch services and drinking from water fountains, no beverages of any kind are to be consumed during the school day.

COMMUNICATION

Communication with parents/guardians is an integral part of a student's program. A mutually beneficial rapport between home and the school is important to us all. Our front office number is 317-217-1979. Please listen to the voice prompts for your call to be directed properly. Teachers are required to return your phone call within two working days. Parents are encouraged to send a message through Power School or e-mail teachers directly if they do not have access to Power School.

In addition, another source of communication is in place at Emma Donnan. Power School allows students and parents to access academic information. Parents and students are encouraged to check this system in order to maintain communication and stay abreast of academic progress. A password for students and parents is needed for this system. Please contact your respective guidance counselor if you have not received a password.

In addition to the forms of communication described above, phone calls may also go home through our automated Parent-Link system. This system informs parents of weather or emergency events, disciplinary actions, or school functions.

DINING AREA REGULATIONS

Each student is required to show good manners, courtesy, and consideration of others in the cafeteria. Students are to enter and exit the cafeteria in an orderly fashion. Students are to stand in a single file line while waiting for food; there is no passing of money to students ahead in line. Containers are provided for the disposal of trash and each student is required to dispose of the trash from the top of his/her table and the area surrounding it before the lunch period is over, or immediately upon the request of supervisory staff. No student is allowed to leave the dining area during the lunch period without a written pass to some other area of the school. **A student is not allowed to leave the school grounds during the lunch period. NO FOOD OR BEVERAGE IS TO BE TAKEN OUT OF THE DESIGNATED DINING AREA AT ANYTIME.**

DISMISSAL

An announcement will be made at 3:45 p.m. each day for students to exit the building if they are not involved in a supervised after school activity. If students are staying after school, they must be with a supervised staff member or they will be asked to leave the building.

DRESS CODE

Emma Donnan’s higher standard of dress encourages greater respect for individual students and others and results in a higher standard of behavior. It also prepares students for the dress code requirements of the workforce. Our dress code guidelines indicate appropriate school dress for normal school days. Emma Donnan reserves the right to interpret these guidelines and/or make changes during the school year. Students are expected to follow these guidelines. Every student in attendance will wear a school uniform. Failure to wear any part of the school uniform will result in a disciplinary action.

Failure to comply with the above dress code will result in parent contact. **Parents will be required to bring appropriate attire within a reasonable amount of time or will be required to pick their student up.** Students will not be allowed to return to class until they are in proper uniform attire.

Although we try to be specific to all dress code issues, there may be issues not included in this handbook that are left to the discretion of the faculty and administration of the school.

EMERGENCY PROCEDURES

In the event that school should be closed or dismissed at an unscheduled time due to an unforeseen emergency, we will follow the Emma Donnan guide for all emergencies and/or closings. Our Parent-Link phone system will be able to contact each household in order to provide necessary information. To assist the school in the event of an emergency, each parent/guardian must complete the Emergency School Dismissal form indicating who can pick up the student.

Students who do not return an Emergency Card will not be permitted to participate in any extracurricular activities, i.e. dances, field trips, etc. Please notify the school immediately of any phone/address changes so that we may update our records.

EXTRA-CURRICULAR ACTIVITIES

Students must attend half of their scheduled classes to be eligible to participate in an activity that day. Exceptions to this policy may be absences authorized by the Principal/Administration or Athletic Director.

FIELD TRIPS

Scheduled field trips will be educational in nature and considered part of the curriculum. The student must assume cost involved for transportation. It is necessary for parental permission to be granted before any student can accompany his/her class on a field trip. Written permission must be on file at the school before a student will be allowed to leave the building. Students must receive permission from their other teachers and/or administrators in order to attend any field trip. At the discretion of the Principal, students with an excessive number of disciplinary infractions in a given marking period may forfeit the opportunity to participate in a field trip. **A student's grades will also be a determinant in regards to a student being permitted to attend any field trip.** Any outstanding financial obligation to Emma Donnan will also prohibit a student from attending field trips.

GANG SYMBOLISM

Student behavior, dress, signing or symbolism (beads, bandanas, etc.) intended to represent gang affiliation will not be tolerated on school grounds or at school-sponsored events. Violation of this policy will result in suspension or possible expulsion. Emma Donnan works in conjunction with the Indianapolis Metropolitan Police Department and the Marion County Sheriff's Department to determine what constitutes gang related activities.

HALLS/CORRIDORS

Students should be in the hallways only at the beginning and close of the school and while moving from one class to another, unless a teacher, administrator or staff person has issued a hall pass.

LOCKERS

All students are assigned a locker. **The sharing of assigned lockers is prohibited.** Students should not share their combination with anyone. Students are allowed to secure their lockers with their own padlocks, but all lockers are subject to random locker searches at any time. A student who uses their own lock must be prepared to open their locker upon request of school authorities at any time. Refusal to do so will result in the lock being cut off, and the privilege of private lock use lost. Emma Donnan is not responsible for theft of personal property.

There is no assumption of privacy; the school reserves the right to search lockers as needed.

MEDICATIONS

To enable students to receive their prescribed medications during the school day, a special medication/treatment form must be completed. This form requires the signature of the doctor prescribing the medication and parent's signature. Parents cannot fax information to the school.

Medications must be properly labeled in the original container from the pharmacy. Please notify the school nurse of any medication changes. A nurse or the principal's designee distributes medication in all circumstances. Students are not permitted to carry medication. All medication is to be dispensed by the nurse or principal's designee.

PARENTAL CONFERENCES

Conferences can be set up at the request of the school or the request of the parent. A conference with a teacher or multiple teachers should be set up through the Guidance Assistant at 317-217-1979. Additional methods of communication are available via Power School or email through the official school website. School personnel will contact the parent/guardian and arrange a mutually agreed upon time for the conference. Conferences requested by the school will give a specific time and date for the meeting. All parents and visitors must sign-in at the front office upon entering the building for a visitor's pass before going to any classroom. Please be aware that teachers are not available for unscheduled conferences during the day because they are instructing children.

PERSONAL PROPERTY

Radios, I-pads, toys, computer games, large sums of money, etc., are prohibited on school grounds. If they are brought to school, and subsequently lost or stolen, the school is not responsible for the loss. If items of this nature are discovered, school personnel will turn them into the office, and a parent/guardian must claim items. It is encouraged that parents speak with the School Resource Officer with regard to any theft that occurs on campus.

POSITIVE SCHOOL CULTURE

Emma Donnan implements programming to increase bullying awareness and build an atmosphere of tolerance and mutual respect. Positive avenues are used to assist in the resolution of interpersonal peer conflict among students.

SCHOOL SAFETY/RESTORATIVE JUSTICE

Restorative Justice is a set of principles and practices to build culture and respond to student misconduct, with the goals of repairing harm and restoring relationships between those impacted. This is also an intervention that can help decrease suspensions and expulsions school wide.

As part of Emma Donnan commitment to being a premier educational community, we take pride in our ability to provide a safe and secure learning environment. We all play an important role in helping to maintain this positive atmosphere. As a student you can make a difference. Make a personal commitment not to participate in violence or be involved in any verbal altercations in any way. Do not bully, tease, or spread negative gossip about others. Respect others and value differences. Try to broaden your social circle to include others who are different from you.

Learn about ways to resolve arguments and fights without violence. Encourage your friends to do the same. Emma Donnan also offers alternative dispute resolutions, such as Restorative Justice. Some examples include Peer Circles Restorative Justice Chats. These methods are designed to assist students in resolving and restoring conflicts amicably. Learn as much as you can about these positive approaches to conflict resolution.

If someone is threatening you and you feel you are in serious danger, do not take matters into your own hands. Find an adult whom you can trust to discuss the situation, or contact school administrators or the

police. Emma Donnan has a School Resource Officer on campus that is willing to assist you with any concerns.

If you know someone is in possession of a weapon or is planning to harm someone else – report him or her. Most of us have learned from an early age that it is wrong to tattle, but in some instances it is the most courageous thing you can do. Breaking the “code of silence” is the first step in creating a positive school culture. Tell a trusted adult, like a teacher, guidance counselor, member of the school security team, Assistant Principal, Principal, parent or peer counselor. If you are afraid and believe that telling will put you in danger or lead to retaliation, it is also possible to place an anonymous note in the mailbox outside of our Peer Counseling classroom or leave an anonymous message at the school or with the police department.

SEARCH OF PERSON OR PROPERTY

When a student is suspected of being in possession of items considered harmful or dangerous, he/she will be given an opportunity to surrender those items voluntarily. If this does not occur, then he/she will be searched by School Resource Officer and an administrator. He or she will be subject to search as well as all of his/her property on school grounds (including, but not limited to locker, vehicle, and bags).

Lockers will be periodically, randomly searched.

Seclusion and Restraint

Senate Bill 345 intends to protect the safety of all students by providing training and guidelines for the safe and rare use of seclusion and restraint with students who pose imminent danger to themselves or others. Every public school corporation, charter school and accredited non-public school is required to have a plan in place by July 1, 2014

Seclusion and restraint plans can be found in the front office

STUDENT ID BADGES

The school issues identification badges. They may be needed for admission to dances and other school activities.

TECHNOLOGY

Students may not bring any computer applications including games to school for any reason. School workstations may not be altered without direct administrative permission.

Any vandalism, (renaming, trashing, or moving files, illegal copying, etc), intentional copyright violations, or attempted access to authorized data will result in disciplinary action, which may include restitution.

With access to computers and people all over the world, comes the availability of material that may not be considered to be of educational value in the school. Please be aware that questionable materials that are not appropriate for this age may be available to inquisitive searchers. Emma Donnan firmly believes that the valuable information and interaction available on the Internet far outweighs the possibility that users may procure material that is not consistent with the educational goals of Emma Donnan.

Students and parents should be aware that as with any school property or activity, the inappropriate use of the Internet connection would subject the student to disciplinary action. Examples of inappropriate behavior include the accessing, downloading and distributing of inappropriate materials, vandalism, or

any other use incompatible with district or individual school policies. Any violation as related to Internet use will result in disciplinary action, including detention, suspension and/or the withholding of Internet access.

TELEPHONE USE

Students are not allowed to use the office telephones during school hours unless it is an emergency and has been approved by an administrator. Calls originating from the school will be strictly supervised. No student will be called to the office to receive personal calls. An administrator or counselor will deliver emergency messages to the student.

TEXTBOOKS

The textbooks issued for student use becomes the responsibility of the student and/or parent, and must be returned at the end of the year in the same condition in which they were issued. Any damaged or lost books must be paid for before another book is issued for home use. Any student who has not paid for a lost book may be restricted from participating in school activities, i.e., Prom, Homecoming, field trips etc. The school bookstore is open Tuesdays & Thursdays before and after school during the week.

TRESPASSING

Students are not to enter or remain on the school campus without proper authorization. Violators may be subject to suspension and/or arrest for criminal trespass. Students on campus while on suspension and/or expulsion are subject to additional disciplinary action and arrest for criminal trespass. **There is no supervision before 7:50 AM or after 4:00 PM.**

VISITOR/INTRUDER INFORMATION

If you spot someone in the building who does not have a visitor sticker on their shirt/blouse immediately report the person to the nearest faculty or staff member.

BULLYING & CYBERBULLYING

Indiana's Bullying Legislation

IC 20-33-8-0.2 "Bullying" Sec. 0.2. As used in this chapter, "bullying" means overt, repeated acts or gestures, including: (1) verbal or written communications transmitted; (2) physical acts committed; or (3) any other behaviors committed; by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other student.

Bullying is unwanted, purposeful, and repeated written, verbal, nonverbal, electronic, or physical behavior, by a student, group of students or adult. It is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; and is often characterized by an imbalance of power.

Types of Bullying

Cyber-Bullying- often involves posting threatening/harmful messages, sending offensive, rude, or intimidating messages, posting gossip and rumors, or posting material meant to get someone in trouble

or make them look bad, pretending to be someone else, and but not limited to posting secrets or embarrassing information about someone.

CSUSA Bullying Policy

Any type of bullying is punishable by up to a 10 day out-of-school suspension with a possible recommendation for expulsion.

3.29 (HAR) Harassment - Any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct that 1) places a student or school employee in reasonable fear of harm to his or her person or damage to his or her property, 2) has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or 3) has the effect of substantially disrupting the orderly operation of a school including any course of conduct directed at a specific person that causes substantial emotional distress in such a person and serves no legitimate purpose.

CONFIDENTIALITY OF STUDENT INFORMATION

Laws involving privacy and confidentiality prohibit us from sharing names, addresses and telephone numbers of our students and families to anyone, including other parents.

ANNUAL NOTICE OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

EMMA DONNAN protects the confidentiality of personally identifiable information regarding its eligible, thought to be eligible, and protected handicapped students (if not protected by IDEA) in accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA) and implementing regulations as well as IDEA and its implementing regulations.

Education records are records that are directly related to the student, including computer media and videotape, which are maintained by an educational agency or by a party acting for the agency.

“Educational agency”, for purposes of this notice, means EMMA DONNAN. For all students, the educational agency maintains education records that include but are not limited to:

- Personally identifiable information is confidential information that includes but is not limited to the students’ name, name of parents and other family members, the address of the student or student’s family, and personal information or personal characteristics which would make the student’s identity easily traceable.
- Directory information is information contained in an education record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. It includes but is not limited to, the student’s name, address, telephone number, electronic mail address, photograph, date and place of birth, major field of study, grade level, enrollment status (e.g., undergraduate or graduate, full-time or part-time), participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees, honors and awards received, and the most recent previous educational agency or institution attended.

The Family Educational Rights and Privacy Act (FERPA) afford parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. They are: Parents have the right to inspect and review a child’s education record. EMMA DONNAN will comply with a request to inspect and review education records without unnecessary delay and before any meeting regarding and IEP or any due process hearing, but in no case more than 45 days after the request has been made. Requests should be submitted in writing, indicating the records the parents wish to inspect, to the school Director or other designated school official. Parents have the right to a response from the school to reasonable requests for explanations and interpretations of the records. Parents have the

right to request copies of the records. While Emma Donnan cannot charge a fee to search for or to retrieve information, it may charge a copying fee as long as it does not effectively prevent the parents from exercising their right to inspect and review the records. Parents have the right to appoint a representative to inspect and review their child's records. If any education record contains information on more than one child, parents have the right only to inspect and review the information relating to their child.

If parents think information in an education record is inaccurate, misleading or violates the privacy or other rights of their child, they may request amendment of the record. Requests should be in writing and clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. Emma Donnan will decide whether to amend the record and will notify the parents in writing of its decision.

If Emma Donnan refuses to amend a record, it will notify the parents of their right to a hearing to challenge the disputed information. Additional information regarding the hearing procedures will be provided to the parents or eligible student when notified of the right to a hearing.

Emma Donnan will inform parents when personally identifiable information is no longer needed to provide educational services to a child. Such information must be destroyed at the request of the parents. Parents have a right to receive a copy of the material to be destroyed. However, a permanent record of a student's name, address, and telephone number, his or her grades, attendance record, classes attended, grade level completed, and year completed may be maintained without the limitation. "Destruction" of records means physical destruction or removal of personal identifiers from information so that the information is no longer personally identifiable.

The school will provide, upon request, a listing of the types and locations of education records maintained, the school officials responsible for these records, and the personnel authorized to see personally identifiable information. Such personnel receive training and instruction regarding confidentiality. The school keeps a record of parties obtaining access to education records, including the name of the party, the date access was given, and the purpose for which the party is authorized to use the records.

Parents have the right to consent or refuse to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

"Consent" means: the parent (s) have been fully informed regarding the activity requiring consent, in their native language or other mode of communication; they understand and agree in writing to the activity; and they understand that consent is voluntary and maybe revoked at any time, information may be disclosed without consent to school officials with legitimate educational interests. A school official is a person employed by the school, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); state agency representative, person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Directory information may be released without parent consent. Parents have the right to refuse to let an agency designate any or all of the above information as directory information.

Upon written request, Emma Donnan discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

Parents have a right to file a complaint with the U.S. Department of Education concerning alleged failures by Provost Academy to comply with the requirements of FERPA. Complaints may be filed with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202-4605.

EMMA DONNAN'S CODE OF CONDUCT

PARENT & STUDENT CONTRACTS

The Code of Conduct at Emma Donnan exists to protect the rights of all students and adults and to establish a safe well-ordered environment where students and teachers can focus on quality teaching and learning. Mutual respect, good manners, and positive behavior are essential elements of the daily life at Emma Donnan.

Failure to comply with the terms of the Student Contract may result in the following:

- Dean's Lunch Detention
- Dean's After School Detention
- Dean's Friday Detention
- Saturday School
- Out of School Suspension
- Student Code of Conduct Behavioral Contract
- Recommendation for Expulsion

School authorities will hold students and parents strictly accountable for any action that interferes with the learning process, good order, and/or the day-to-day operations at Emma Donnan. CSUSA must have proof that every student and parent/guardian has had a chance to read the Code of Student Conduct or to hear it read aloud. Included in each student's registration packet are a Code of Conduct agreement. Students and Parents are required to sign the Code of Conduct agreement indicating their agreement to the terms therein.

If the signed page is not returned by Friday, August 16th, it will be assumed the parent and student have read and agree to the Code of Conduct policies. Failure to sign and return this document will not prevent the District from following the terms and conditions as outlined.

AFTER-SCHOOL DETENTION (ADMINISTRATIVE DETENTION)

Administrative Detentions may be held Monday – Thursday from 3:45 p.m. to 4:45 p.m. Transportation home will be provided by the school. Students who miss an after school detention due to a medical appointment or other special circumstances will be permitted to reschedule the detention. If after school detention is missed due to medical reasons, a note from the medical provider, including the time/date of appointment will be required. Any student who skips an after-school detention will be subject for suspension. In addition, teachers may issue teacher detentions for classroom infractions per the Emma Donnan Behavior Matrix to be served in their classroom on the date and time assigned and agreed upon by the teacher and parent. No electronic devices should be seen, heard, or used during

detention. The electronics policy will be fully enforced. Students who are tardy may be granted entrance and further consequences may ensue. Students who have detention and try to skip will be escorted from their buses and further discipline may occur.

BUS BEHAVIOR

Bus behavior is a primary concern due to the safety needs of all students. Riding the bus should be considered a privilege, and any student who cannot conduct himself/ herself properly on the bus will have his/her bus privileges suspended and/or revoked.

To ensure the safety and pleasure of all students who ride the bus we:

- Incorporate bus behavior as criteria for special activities (i.e. future field trips).
- Document bus behavior on home notes.
- Implement the following consequences for bus referrals:
 1. Parent conference/parent phone call
 2. Bus suspension
 3. Administrative detention/Saturday detention
 4. Bus privileges revoked
 5. Out of School suspension

Bus suspensions will be used if a student's behavior poses a safety violation threatening his/her safety or safety of others, regardless of the number of previous referrals.

Parent/guardian will be notified when a student receives a bus suspension. The parent/guardian will be responsible for transporting the student to and from school during the period of the bus suspension. If a student does not attend school due to a bus suspension, the absence **is considered to be unexcused.**

OUT OF SCHOOL SUSPENSION

Students will receive Out of School Suspension if the respective Administrator deems the respective behavior as appropriate for OSS. OSS is considered an unexcused absence.

FALSE ALARMS

Pursuant to the 1991 Uniform Fire Code Section 13.203, false alarms shall not be given, signaled or transmitted or caused or permitted to be given, signaled or transmitted in any manner. **Under the law, false alarms are misdemeanors subject to a maximum fine of \$250.** Such action or involvement by a student will result in the disciplinary action of suspension, expulsion, or arrest. **Bomb threats are considered felonies.**

MISREPRESENTATION

Misrepresenting oneself by cheating, copying, plagiarizing, counterfeiting, or using false identification is considered a serious offense. The penalty for violation of any of the above mentioned infractions will result in one to three days of out-of-school suspension. Repeated offenses may result in further discipline up to expulsion.

REFERRALS

Administrators and faculty will use a referral for those students whose actions/behavior disrupts the school community. Examples of referrals to be issued are for infractions such as, but not limited to: profanity, destruction of property, misrepresentation, stealing, disrespect, insubordination, fighting, being under the influence or possession of alcohol or drugs. If a student receives a referral the administration will assign the proper disciplinary consequence. Additionally, criminal charges may be filed at the discretion of the school resource officer.

ELECTRONICS AND CELL PHONES

While we respect the need for students to have a cell phone when traveling to and from school, cell phone use during the school day is strictly prohibited. Should a parent need to reach their student in an emergency while at school, the office will always deliver a message to students. Cell phones need to be away before entering the building, and secured in lockers prior to the start of class. NO EXCEPTIONS. Violations of this policy will result in confiscation and the device will only be released to the parent/guardian. Progressive discipline will apply for repeated violations. School employees or agents will not be held liable for electronic devices that are lost, stolen, or confiscated.

First Offense: Confiscation of device and returned to student at the end of the day. Student will be assigned an after school detention and the phone can be picked up following completion of that consequence.

Second Offense: Confiscation and returned to parent/guardian. Student and parent will sign an electronic devices contract, indicating their understanding that if the phone is confiscated again, the device will be kept until the parent picks it up at the end of the semester.

Third Offense: Confiscation of device until parent picks the phone up at the end of the semester.

Failure to surrender the item will result in more severe consequences including possible OSS. The school is not responsible for lost or stolen electronic devices.

PROCEDURAL GUIDE FOR STUDENTS WITH DISABILITIES

School officials may suspend students with disabilities and cease educational services for a total of up to 10 consecutive or 10 cumulative school days in one school year without providing special education procedural safeguards. Saturday, and before- and after-school detentions do not count toward the 10-day limit. Additionally, as long as students with disabilities are being provided with special education services, in-school suspensions do not count towards the 10-day limit. Directors do not have to suspend students with disabilities for the mandatory periods set forth in this Code for a single offense. The director has discretion to be flexible in the amount of days of suspension given to each special education student with disabilities. Students with disabilities can be suspended in excess of 10 school days in certain circumstances.

1. Provide written notice to the parent/guardian or surrogate parent of the intervention or consequence being considered and the date of an Individualized Education Program (IEP) meeting, which must be held within 10 days of the date of the decision to discipline the student.
2. The IEP team must:
 - a. Determine whether the misconduct is related to the student's disability by reviewing evaluation and diagnostic results, information from the parent/guardian,

observations of the student, and the student's IEP and placement. The behavior is not a manifestation of the student's disability if:

- i. The student was given appropriate special education supplementary aids and intervention strategies; and
 - ii. The disability does not impair the ability to control behavior.
- b. Review and revise, if necessary, the behavior intervention plan or, as necessary, develop a functional behavior assessment and intervention plan to address the misconduct.
 - c. Determine the appropriateness of an interim alternative educational setting, and as indicated, include in the IEP those services and modifications that will enable the student to continue to participate in the general curriculum and address the behavior so that it will not recur.

If the student's behavior is not a manifestation of the disability, school officials may apply Emma Donnan Code of Conduct, taking into consideration the student's special education and disciplinary records. In no event, however, may the student be suspended without providing appropriate educational services for more than 10 consecutive or cumulative school days in a school year.

If transportation is identified in the IEP as a related service, the days of bus suspension(s) are considered as days of out-of-school suspension if, as a result, the student is unable to attend school and therefore, is denied access to a Free Appropriate Public Education (FAPE).

Parents of special education students should consult the school's administrators or special education team for further information about the procedural safeguards for students with disabilities.

Students with Disabilities or Section 504 Plan may be suspended from the bus for up to three (3) days at one time per incident.

An emergency suspension situation includes one in which a student with disabilities commits an offense which meets the criteria for suspension and the IEP does not include a Positive Behavior Management Plan. ADDENDUM TO THE EMMA DONNAN STUDENT AND PARENT HANDBOOK

INFORMAL COMPLAINT PROCEDURE

Emma Donnan encourages the reporting of all perceived incidents of discrimination, harassment, sexual violence or retaliation; as well as, failure to comply with state or federal law in basic education, consolidated categorical aid programs, vocational education, child nutrition programs and special education programs regardless of the offender's identity or position. Early reporting and rapid reporting is encouraged so that immediate corrective action can be taken. If any employee of Emma Donnan sees or hears of untoward acts of a student focused on others, they are required to immediately report these acts in writing to the Principal. The information received may be founded on the employee's own observations, on information from a student, a student's parent, or a third party. All complaints will be investigated.

As an initial step an individual who believes they have been subject to discrimination or harassment or any other wrong, is encouraged to promptly advise the alleged offender that their behavior is unwelcome and request that it be discontinued, as long as they feel comfortable doing so. In some cases, an offender may not realize their behavior is offensive and being perceived as harassment. This action alone may sometimes resolve the problem.

Emma Donnan recognizes that an individual may prefer to pursue the matter through informal or formal complaint procedures. If for any reason an individual does not wish to address the offender directly, or if addressing the offender does not successfully end the offensive conduct, the individual should notify, orally or in writing, the Principal or Vice Principal/Director of Curriculum. All reports will be filed with the Principal who will either facilitate an informal resolution or appoint another individual to facilitate an informal resolution.

An informal resolution may involve meeting with the alleged offender to discuss the unwelcome nature of the behavior or if both parties agree, facilitating a meeting between the complainant and the alleged offender to work out a mutual resolution.

The informal complaint procedure is not intended for victim of sexual violence. Victims of sexual violence should NOT approach the offender under any circumstances in an attempt to resolve the matter, and should file a police report as soon as possible after the attack has occurred. An individual who is a victim of sexual violence and has filed a police report may file a complaint under Emma Donnan's formal complaint procedures.

FORMAL COMPLIANT PROCEDURE

If a complaint is not resolved through the informal complaint procedure, or if an individual elects to file a formal complaint initially, the following formal procedures will be followed.

An individual who believes they have been subject to discrimination, harassment, sexual violence or retaliation or other wrong doing, may file a formal complaint orally or in writing with the Principal. If a report is made to any other employee of Emma Donnan, orally or in writing, about any complaint, the employee must immediately report that information to the Principal. Complaint forms can be found in the Principal's office.

All allegations of harassment, discrimination, sexual violence or retaliation will be investigated promptly. Members of the school's Leadership team are responsible for investigating complaints.

Investigations will be launched immediately upon the filing of a complaint, and will be completed promptly. Typically, the investigation will begin with an interview of the alleged victim to obtain information regarding the identity(ies) of the alleged offender(s), the offensive conduct, the potential witnesses, and the desired resolution. The alleged victim will be offered an opportunity to submit any evidence that they believe relevant to the investigation within 5 school days.

Within 5 school days of receiving the initial complaint, the alleged offender will be informed of the allegations and will be offered an opportunity to submit a written response to the allegations. The alleged offender's response and any supporting materials must be submitted within 3 school days. The investigator will then review the relevant documents and conduct additional interviews as necessary to determine whether there has been a violation of this policy. For example, the investigator may conduct interviews with the alleged offender, the parent(s) or legal guardian(s) of the parties, and/or other individual who may have observed the alleged conduct or may have other relevant knowledge. During the investigation, the investigator will keep both parties apprised of the status of the investigation, to the extent permitted under the Family Education Rights and Privacy Act. The investigator will not require the alleged victim to appear in the same room as the accused.

Upon receiving a complaint, the investigator will consider whether any interim measures should be taken during the investigatory phase of the complaint process to protect the alleged victim from further harassment, sexual violence, or retaliation. For instance, the investigator in conjunction with the Principal and other members of the leadership team, may determine that it is necessary to place the alleged perpetrator in interim suspension or alternative setting, change schedules, or assign a hall monitor to have visual contact with the perpetrator at all times.

While many case investigations may be resolved quickly, some require extensive time to complete. Within 7 school days of the completion of the investigation, the investigator will prepare a report that summarizes the evidence gathered, states whether or not there was a policy violation, and provides recommendations for closure. In determining whether there has been a violation of policy, an investigator will consider a variety of factors, including but not limited to: the nature of the conduct, the age and maturity of the parties, the frequency of the conduct, the relationship between the parties, and whether the conduct adversely affected the victim's education or environment. The determination will be based on the totality of the circumstances and will be based on the "preponderance of the evidence" (e.g., it is more likely than not that a policy violation occurred). The determination will not take into account any "past relationships" of the alleged victim. The investigator's recommendations may include discipline of the alleged offender up to and including suspension or expulsion (if a student) or suspension or termination of employment (if an employee).

Both parties will then be provided written notice of the outcome of the investigation. If either party is dissatisfied with the outcome, they may appeal to the Principal by filing a written notice of appeal within 5 school days of the date of the written notice of the outcome of the investigation. Within 10 school days of receiving the notice of the appeal, the Principal will review the report prepared by the investigator, the investigator's file, and any other documents or materials provided by the parties and affirm, reverse, or revise the determination and recommendations of the investigator. To the extent the Principal determines the parties should be heard, the alleged victim will not be required to appear in the same hearing room as the accused.

Where there has been a policy violation, Emma Donnan will make every reasonable effort to stop any conduct in violation of these policies and prevent recurrence. Where appropriate, Emma Donnan will also take steps to remedy the effects of any violation. Some examples of such remedial measures include: the provision of counseling and/or academic support to the victim or recalculating certain course grades. Any appropriate remedial measures will be determined on a case-by-case individualized basis.

CONFIDENTIALITY AND RECORD KEEPING

Emma Donnan will make all reasonable efforts to protect the privacy of all parties involved in an investigation and to keep the complaint and investigation confidential; however, confidentiality cannot be guaranteed. Some details or identities may need to be revealed in order to fully investigate the complaint.

Emma Donnan will maintain records of all complaints of discrimination, harassment, sexual violence or retaliation for a period of no less than 5 years.

FALSE CLAIMS

Emma Donnan reserves the right to discipline students who have falsely accused another of harassment sexual violence, retaliation, discrimination and/or other wrong doing. Complaints will not be considered "false" solely because it cannot be corroborated. Disciplinary action for making false claims may include suspension or expulsion.

CONCLUSION

Emma Donnan has developed this policy to ensure that all its students have the opportunity to learn in an environment free from harassment, discrimination and retaliation. Emma Donnan will make every reasonable effort to ensure that all necessary persons are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. All complaints may be submitted to any members of the Emma Donnan Leadership team.
